Reply to Office Action dated 9/22/2004

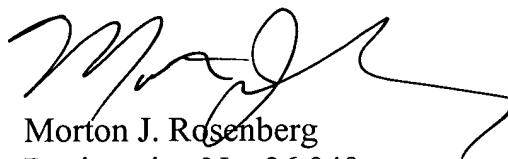

Remarks/Arguments

This case has been reviewed and analyzed in view of the Official Action dated 22 September 2004. In the Official Action, the Examiner has found two inventions, namely Group I directed to Claims 1-13 drawn to an LED; and Group II directed to Claims 14-27 drawn to a method of making an LED. The Examiner has required that Applicant chose Group I or Group II for further prosecution in this case.

By this Amendment and Response, Applicant has canceled Claims 14-27 and elects Claims 1-13 for further prosecution.

It is now believed that the subject patent application has been placed in condition for examination and such action is respectfully requested.

Respectfully submitted,
